

# BLU

Wireless Monitor

## KEY FEATURES

- 1. ALL-IN-ONE DETECTOR + METER**  
This new line of All-in-One detectors combine a detector and a meter with Bluetooth connectivity in one convenient product
- 2. SAFER WORK ENVIRONMENT**  
Operators can be far from the detector while making measurements (up to 30m, depending on the environment and barriers). And with less cables in the workspace, accidents are less likely to happen!
- 3. CROSS-PLATFORM SOFTWARE**  
Display the results on your mobile device with the Gentec-EO BLU app available FREE on Google Play and Apple Store. Need to use it with a PC? Simply plug in the included Bluetooth receptor and use PC-Gentec-EO.
- 4. INCREDIBLE PERFORMANCE**  
BLU detectors offer the same performance as the usual detector + monitor combination, from mW to kW
- 5. COMPACT SIZE**  
Perfect for the lab, OEM applications and field servicing  
No need to carry a meter!
- 6. LONG BATTERY LIFE**  
The USB-rechargeable Li-ion battery lasts up to 5 continuous days with the device running
- 7. LOWER RECALIBRATION COSTS**  
One product = one calibration.  
Reduce your recalibration costs by half!

WATCH OUT FOR THIS LOGO!
